

INTRODUCING

MERINO
SENSES

ART BY NATURE

SURPRISE YOUR SENSES

Merino Senses invites you to indulge in an experience like no other. Where ready-made panels evoke the timeless allure of authentic wood, embraced by the elegance of sleek, modern design. A transformation so subtle yet profound, it redefines how you experience the interiors. Is it real wood? The question will linger, but only your touch can satisfy the curiosity. Feel the difference, awaken your senses.

CRAFTING THE MERINO LEGACY

For over 60 years, our vision has been clear — to create a legacy that transforms the way you envision your space. With a focus on sustainability, we deliver innovative, distinctive collections. Our latest collection, Merino Senses blends natural beauty with exceptional durability, marking a new milestone. At Merino, we don't just craft surfaces; we tell stories of authenticity, design, and timelessness.

THE SENSES COLLECTION

Infused with the rustic elegance of oak,
the Senses Oakline range captures the
timeless beauty of wood with authentic
textures and hues. Delivering the wood
finish you've always desired.

14188 | ASHBURY OAK WOOD

14171 | CHERRYBARK OAK

14189 | HONEY OAK WOOD

14172 | LIGHT DRIFT OAK

NATURAL VARIATIONS

Light to rich tones, showcasing unique
wood grains and knots.

TIMELESS AESTHETIC

A blend of rustic charm and
modern elegance.

UNIQUE GROOVES

Each design has a non-repeating finish
just like a real wood bark.

The background is a soft-focus photograph of a forest. Tall, thin tree trunks are visible, creating a sense of depth. In the foreground, a large, dark rock is covered in vibrant green moss, adding texture and a natural feel to the composition.

WHY DOES THIS COLLECTION MAKE PERFECT SENSE?

Crafted from premium substrates,
the Senses collection combines durability with lasting beauty.
